Mr. Fantastic extendible roller

EXTENDEBLE

IDEAL FOR VERTICAL BOW

SELF LAUNCHING

Made of mirror-polished stainless steel, ideal for Bruce anchors from 7.5 to 15 kg.

Fitted with an innovative gas spring system that keeps the anchor off the bow before being cast. At the same time, a tilting movement lets the anchor drop automatically while keeping it at a safety distance from the bow.

The roller has a **20-cm extension stroke** and is mainly suitable for vertical bows. Its lightweight and sports shape is well-suited to the hull and its steel frame is designed to withstand high loads.
